Technological Application	
Technological Application Category	Subfield
Agro-alimentary	Foods and beverages
Agro-alimentary	Nutritional supplements
Chemistry / Biochemistry	Antioxidants
Chemistry / Biochemistry	Bioactive molecules
Chemistry / Biochemistry	Biomaterials
Chemistry / Biochemistry	DNA probes
Chemistry / Biochemistry	Gene therapy
Chemistry / Biochemistry	Immunological reagents
Chemistry / Biochemistry	Minerals
Chemistry / Biochemistry	Monoclonal antibodies
Chemistry / Biochemistry	Polymers
Chemistry / Biochemistry	Vitamins
Medical materials and instrumentation	Artifical organs
Medical materials and instrumentation	Clinical biological analyses
Medical materials and instrumentation	Dental material
Medical materials and instrumentation	Lasers, hyperthermia
Medical materials and instrumentation	Medical equipment
Medical materials and instrumentation	Medication administration devices
Medical materials and instrumentation	Monitoring and diagnostic equipment
Medical materials and instrumentation	Radiology / Imaging
Medical materials and instrumentation	Radiotherapy
Medical materials and instrumentation	Research equipment
Medical materials and instrumentation	Software
Orthopaedic devices	Acoustical devices
Orthopaedic devices	Artificial limbs
Orthopaedic devices	Electronic therapy
Orthopaedic devices	Orthopedic devices
Orthopaedic devices	Prostheses
Orthopaedic devices	Rehabilitation devices
Orthopaedic devices	Wheelchairs and locomotive devices
Pharmacy	AIDS treatments
Pharmacy	Analgesics

Pharmacy	Anti-inflammatories
Pharmacy	Antiarrhythmics
Pharmacy	Antibiotics
Pharmacy	Anticoagulants
Pharmacy	Antiepileptics
Pharmacy	Antihistaminics
Pharmacy	Antihypertensives / Vasodilators
Pharmacy	Antineoplasics
Pharmacy	Antiseptics
Pharmacy	Antituberculosis drugs
Pharmacy	Blood derivatives
Pharmacy	Bronchodilatators
Pharmacy	Contraceptives
Pharmacy	Cytoprotective drugs
Pharmacy	Diuretics
Pharmacy	Hormones and cellular metabolism products
Pharmacy	Hypoglycemic agents / Antidiabetics
Pharmacy	Hypolipidemic agents
Pharmacy	Immunoglobulins
Pharmacy	Immunosuppressants
Pharmacy	Interferons, interleukins
Pharmacy	Peptides, proteins, enzymes
Pharmacy	Psychotropic drugs
Pharmacy	Vaccines
Pharmacy	Virustatic, virucidal drugs

Area of Research			
Sector of Research	Field	Subfield	Area
Arts and literature	Arts, Literature and Society	Artistic and Cultural Heritage	Conservation Modes, Valorization, Restoration or Protection of Artistic and Cultural Heritage (Architectural, Literary, Musical, Theatrical, etc.)
Arts and literature	Arts, Literature and Society Arts, Literature and Society	Artistic and Cultural Heritage	Cultural Institutions (Museums, Libraries, etc.)
Arts and literature	Arts, Literature and Society	Artistic and Cultural Heritage	Heritage Businesses Management and Development
Arts and literature	Arts, Literature and Society	Artistic and Cultural Heritage	Heritage Policies
Arts and literature	Arts, Literature and Society	Literary or Artistic Works Analysis	Artistic and Literary Analysis Models
Arts and literature	Arts. Literature and Society	Literary or Artistic Works Analysis	Artistic and Literary Marginality
Arts and literature	Arts, Literature and Society	Literary or Artistic Works Analysis	Artistic and Literary Movements, Schools and Styles
Arts and literature	Arts, Literature and Society	Literary or Artistic Works Analysis	Artistic and Literary Theories
Arts and literature	Arts, Literature and Society	Literary or Artistic Works Analysis	Arts. Literature and Subjectivity
Arts and literature	Arts, Literature and Society	Literary or Artistic Works Analysis	Literary or Artistic Work Analysis
Arts and literature	Arts. Literature and Society	Literary or Artistic Works Analysis	Popular Art Studies
Arts and literature	Arts, Literature and Society	Literary or Artistic Works Analysis	Social Determinants of Arts and Letters
Arts and literature	Arts, Literature and Society	Literary or Artistic Works Analysis	Transcultural Studies
Arts and literature	Arts, Literature and Society	Mediation and Diffusion	Artist or Author Social Identity
Arts and literature	Arts. Literature and Society	Mediation and Diffusion	Arts and Literary Policies
Arts and literature	Arts, Literature and Society	Mediation and Diffusion	Cultural Industries
Arts and literature	Arts. Literature and Society	Mediation and Diffusion	Legitimization Authority
Arts and literature	Arts, Literature and Society	Mediation and Diffusion	Literary or Artistic Work Dissemination or Reception Contexts
Arts and literature	Arts. Literature and Society	Mediation and Diffusion	Modes and Strategies of Dissemination
Arts and literature	Arts, Literature and Society	Mediation and Diffusion	Publics
Arts and literature	Arts. Literature and Society	Mediation and Diffusion	Social Impact of Artistic Education
Arts and literature	Writing and Fine Arts	Multidisciplinary and Interdisciplinary Experimentation	Emerging Forms of Art
Arts and literature	Writing and Fine Arts	Multidisciplinary and Interdisciplinary Experimentation	Multiple Approaches of Creation
Arts and literature	Writing and Fine Arts	Performance and Theatrical Productions	Choreography
Arts and literature	Writing and Fine Arts	Performance and Theatrical Productions	Design and Planning of Space
Arts and literature	Writing and Fine Arts	Performance and Theatrical Productions	Dramaturgy
Arts and literature	Writing and Fine Arts	Performance and Theatrical Productions	Gestuality
Arts and literature	Writing and Fine Arts	Performance and Theatrical Productions	Interactivity
Arts and literature	Writing and Fine Arts	Performance and Theatrical Productions	Performance
Arts and literature	Writing and Fine Arts	Performance and Theatrical Productions	Rewriting
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Arts and Technologies
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Comic Strips
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Drawing
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Exploration and Transformation of Organic, Electronic or Synthesis Materials
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Facilities
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Film Making
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Painting
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Photography
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Printing Art
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Sculpture
Arts and literature	Writing and Fine Arts	Production and Exploration in Visual Arts	Video and New Media
Arts and literature	Writing and Fine Arts	Sound Production, Exploration and Processing	Musical Compositions
Arts and literature	Writing and Fine Arts	Sound Production, Exploration and Processing	Musical Forms
Arts and literature	Writing and Fine Arts	Sound Production, Exploration and Processing	Musical Styles
Arts and literature	Writing and Fine Arts	Sound Production, Exploration and Processing	Rendering and Improvisation
Arts and literature	Writing and Fine Arts	Sound Production, Exploration and Processing	Treatment of Other Audio Forms
Arts and literature	Writing and Fine Arts	Writing and Literary Experimentation	Blend of Genres
Arts and literature	Writing and Fine Arts	Writing and Literary Experimentation	Essays
Arts and literature	Writing and Fine Arts	Writing and Literary Experimentation	Novel and Short Story
Arts and literature	Writing and Fine Arts	Writing and Literary Experimentation	Poetry
Arts and literature	Writing and Fine Arts	Writing and Literary Experimentation	Scripting
Arts and literature	Writing and Fine Arts	Writing and Literary Experimentation	Tales
Arts and literature	Writing and Fine Arts	Writing and Literary Experimentation	Theatrical Productions
Arts and literature	Writing and Fine Arts	Writing and Literary Experimentation	Youth Literature
